## Voorstelling paarden op de prijskamp

### 1. Eerste opstelling

De voorsteller staat links voor het paard, op ongeveer vijf meter van de jury. De paard staat dwars voor de jury met het hoofd naar de linkerzijde. De vier benen van het paard moeten zichtbaar zijn voor de jury. D.w.z. dat de benen aan de zijde van de jury verder 'open' moeten staan dan die aan de andere zijde. Het hoofd mag niet in de hoogte geheven worden, wel iets omlaag met een deinende hals. De begeleider plaatst voor zich het paard.

### 2. Draven

Dit gebeurt op de rechterhand in driehoeksvorm langs de buitenzijde van de hoekpunten ( bv bloembakken ). Het zweepgebruik moet tot een minimum herleid worden.

### 3. Stappen

Dit gebeurt eveneens op de rechterhand in de driehoeksvorm maar langs de binnenzijde van de hoekpunten. Vervolgens wordt er op en af gestapt recht voor de jury.

### 4. Tweede opstelling

Idem punt 1.
